

# 100 Companies That Matter in KM – Franz Inc.

Franz Inc. is proud to announce it has been named to KMWorld's "100 Companies That Matter in Knowledge Management".

According to KMWorld, Emerging technologies such as GenAI, coupled with enhancements to the time-tested technologies of machine learning, semantic search, natural language processing, cloud computing, knowledge graphs, and chatbots, have resulted in enormous strides in knowledge management and knowledge sharing. Companies on the list are wonderful examples of how these technologies help organizations unlock the power of knowledge in innovative and creative ways.
