

# Franz's AllegroGraph Named "Best Knowledge Graph" by KMWorld Readers' Choice

AllegroGraph also wins Finalist position for "Best Cognitive Computing and AI Platform".

Franz Inc., is proud to announce it has been named the "Best Knowledge Graph" in the 2021 KMWorld Readers' Choice Award voting. Additionally, AllegroGraph was considered a "Finalist" in the category of Best Cognitive Computing and AI platforms for the Readers' Choice awards.

According to KMWorld, the world of knowledge management continues to expand with the steady influx and evolution of innovative products and technologies to help organizations extract the right information for use by the right people at the right time. The value of knowledge management solutions and services is reflected in growth projections for the global knowledge management market, which was valued at about \$206.9 billion in 2016 and is expected to reach more than \$1,232 billion by 2025, representing a compound annual growth rate of more than 22%, according to Zion Market Research.

In this November issue, KMWorld magazine announces the winners of the 2021 KMWorld Readers' Choice Awards. The categories for competition were wide-ranging. In all, there were 14 areas in which

products and technologies could be nominated and ultimately voted upon. They include business process management,

cognitive computing and AI, customer service and support, e-discovery, knowledge graphs, text analytics and NLP.

“As the stakes get higher for information-driven successes, businesses must make technology decisions from an increasingly diverse array of knowledge management offerings,” said Tom Hogan, Group Publisher at KMWorld. “The Readers’ Choice Awards put the spotlight on innovative and dependable solutions and services that can help companies solve pressing challenges and take advantage of new opportunities.”

“Franz Inc. is continually innovating and we are honored to receive this acknowledgement for our efforts in setting the pace for Knowledge Graph Solutions,” said Dr. Jans Aasman, CEO, Franz Inc. “We are seeing demand for Intelligent Data Fabrics take off across industries along with recognition from top technology analyst firms that Knowledge Graphs provide the critical foundation for Data Fabric solutions.
