

# Authentic Meets Artificial – The New Intelligence

**Broadcast Date: January 13, 2022 at 3 PM ET**

Understanding the world around us increasingly involves Artificial Intelligence. Once the stuff of elite corporations, the barrier has now dropped substantially, and practically anyone can get in on the game!

Check out this episode of DMRadio to learn more, as Host @Eric\_Kavanagh interviews Jans Aasman, Franz Inc. and Robert Nishihara, Anyscale.

Listen to the recording.
